Good evening everyone and welcome to St Paul's Stadium for this afternoon's Buildbase FA Vase 1<sup>st</sup> Qualifying Round tie between Fisher and Little Common.

I'd like to extend a warm welcome to the Staff, Players and Supporters of Little Common. I hope you enjoy your visit and have a safe journey home later tonight.

Tuesday's game against Tower Hamlets saw us chalk up our first league win of the season in convincing style, as an assured display lead to a 3-1 win. In truth a little bit of luck would have seen a higher score line, but once we went ahead the win never really looked in doubt. The atmosphere around the ground was excellent as always, and it was good to see some relatively new faces making return visits.

Today we face a tough challenge in Little Common, who are unbeaten in competitive fixtures so far this season, with three draws in the league, and two FA Cup wins, one of which came against near neighbours Stansfeld last weekend. We will certainly need to be on form today and with the mood amongst the squad being so positive we should be in for an entertaining afternoon. Just a quick reminder that as per last week, if today's game is level at the end of 90 minutes, we will go straight to penalties to decide the winner. The reward for the winning side today is a trip to either Oakwood or East Preston in the next round on October 10<sup>th</sup>.

Looking ahead, we face back to back away fixtures. First up is our trip Cray Wanderers in the 1<sup>st</sup> Qualifying Round of the Emirates FA Cup on Wednesday. Tickets are on sale, so please click here to book yours <https://www.cray-wanderers.com/tickets/> A full travel plan be found later on in this programme, along with a travel plan for our trip to Corinthian next Saturday.

Our next game here at St Paul's is against Glebe on Tuesday 29<sup>th</sup> September (7.45 kick off).

Finally, a few more Player Sponsorships have been snapped up this week, and the chart is filling up nicely. If you'd like to sponsor one of the remaining players, then please come and see me today or drop me an email to [programmes.fisherfc@yahoo.com](mailto:programmes.fisherfc@yahoo.com)

That's all from me, except of course from C'MON THE FISH

Follow the A20 out of town as far as Swanley, then exit at the junction with the M25 (as the A20 becomes M20). At the roundabout take the third exit to join the A20 towards West Kingsdown and Brands Hatch Race Circuit.

Follow the A20, passing over two roundabouts (taking the second exit on both), to proceed towards Brands Hatch.

Turn left on to Scratchers Lane, then after the bend turn left again (at the second junction) to join the northbound Brands Hatch Road (which will pass under the M20 as you join the road).

Follow Brands Hatch Road as it becomes Valley Road. Stay with Valley Road, passing Fawkham Manor Hospital on the right, and proceed until you find a green sign for Corinthian Sports Club & Golf Course on the right.

Turn in to the driveway and follow it to the car park, which is between the Clubhouse and the ground.

BY PUBLIC TRANSPORT

Longfield is the closest Station to Corinthian Sports Club and can be reached on Southeastern train services from London Victoria. You can also reach Longfield from Dartford (for those needing to travel from Charing Cross or Canon Street Line stations). Arriva service 423 will get you from Dartford to Longfield, while a 96 from Woolwich to Bluewater coupled with a Go-Coach 474/475 service will get you there (although will take a little longer). Please note, all buses will drop off at Longfield Station.

We recommend using a local taxi company to complete the journey, cabs can normally be found outside the main entrance to the station. Contact details for local cab companies can be found at the Station or in the nearby Waitrose Supermarket.

The fare is approx. £7 in each direction from the station to the ground.

PLEASE CHECK ROUTES AND TIMINGS BEFORE TRAVELLING

Good afternoon all

Welcome to one of the biggest game of our season.

I'd like say how incredible you all were Tuesday night against Tower Hamlets. I'm really pleased for the club that the boys took all 3 points on Tuesday and carried on the good form from the FA Cup game last Saturday.

At the moment the camp high and the boys feel they can beat anyone at the moment.

There is still alot of work to do and the boys are working hard to better themselves.

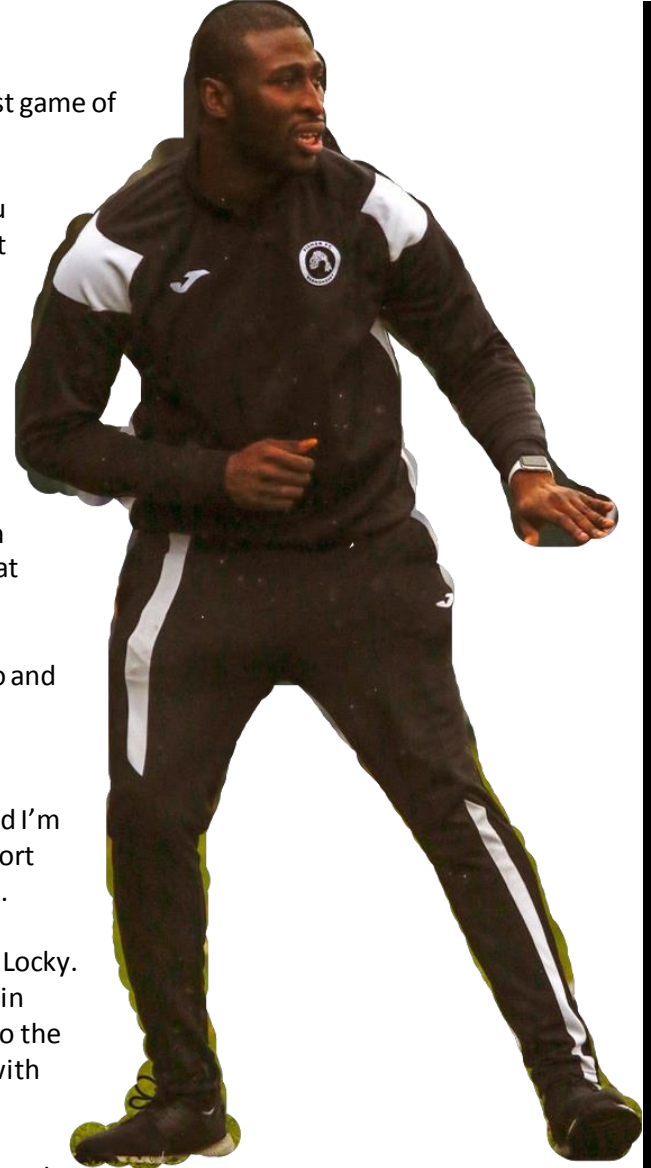

The boys have started well and I'm sure you all agree that the effort this season looking promising.

This week we lost our captain Locky. With the new players coming in Locky felt he had gave his all to the club and its only right we go with the young blood.

Locky been a joy to work with and gutted we have lost a big part of the family but we have to move on and stay focus on the task ahead. We like to thank him for his effort last season.

Today's FA Vase game against Little common is a massive one. We watched them last week and got to say they are a good side and we will need to be at our best game to win this one.

I really hope you all enjoy the game

Ajay

EAST FOOTBALL LEAGUE

"Giving Football in the South East The Wings to Fly"

Little Common Football Club formed originally as Albion United in 1966, when Ken Cherry had a vision for youth football in the area. Initially two youth teams were formed one at Under 16 level and one at Under 14 level. However, the two teams grew like topsy and today the club runs sixteen youth and four senior teams.

Albion United started life in the Hastings League and was very soon running two sides instead of the planned one and they moved to the East Sussex league. That league held no bounds for the highly successful United sides and after the double winning success of the 1977/78 season the club successfully applied to join the Sussex County League Division Two.

In 1974 the club committee decided to provide the club with its own club house and changing rooms, to include showers and a bar after spending eight years on grounds which did not have such facilities. The club obtained two prefabricated houses which were built in Fulham at the end of the Second World War. They cost £250 each and the necessary planning permissions were given. The club erected these two buildings, joined together, to make one large building; half was changing rooms, showers and toilets and the other half lounge and bar.

This became the clubs home on entry to the Sussex County League and their first season saw them finish in the top five and they reached the Division 2 Cup Final only to be beaten by Crowborough Athletic. Subsequent seasons saw the club occupy a mid to lower position in the table, actually finishing bottom in 1980/81 and 1981/82 (Division Three was not formed until 1983). Albion enjoyed their best placing since entering the League when they finished 6th in 1985/86 and changed their name to Little Common Albion at the end of that season.

The newly named club again finished in 6th place the next two seasons, before their fortunes began to slump once again. In 1993/94 they were relegated after finishing bottom; and left the League altogether after finishing 15th of 16 in Division Three the following season. The 1990s proved a difficult period for the club and they re-joined the East Sussex League. A third consecutive relegation was a huge blow for the club and in the space of just three seasons they had gone from playing senior football to junior football.

The club committee decided that in order for the club to progress further new facilities were required in order to attract and retain players. Buoyed on by a thriving youth policy the club began its rebuilding process. The club joined together with the local council and cricket club in order to develop a project to build a new sports pavilion. After many years of hard work by all involved the project finally began to get moving and in 1999 a £262,000 Sport England Lottery Grant was awarded for the project. Building finally began in 2001 and the club moved into its new home in November 2002.

As ever, you can sponsor your favourite Fisher player and get your name in every match day programme this season. The price this season is £30, or two for £50. On the pitch the clubs fortunes continued to fluctuate, a successful 1998/99 season saw Common just miss out on promotion to Seaford before being relegated the following season. A rise followed with an instant return to the Premier Division and after avoiding relegation on the final day of the 2003/04 season the club committee decided to make a concerted effort the following season to realize its ambition of a return to the Sussex County League.

After spending ten seasons in the East Sussex League, the club were successfully crowned Premier Division champions in the 2004/05 season and applied for a return to the County League. After carrying out the essential work to their ground to achieve promotion the club was successful in its application.

After spending four seasons in Division 3 the club was promoted to Division 2 at the end of the 2008/09 season after clinching the second promotion spot on the final day of the season against Bosham.

The club went on to record a 4th place finish in the 2009/10 season before a mid-table finish in 2010/11. The 2011/12 season saw a change in management after a disappointing start to the campaign, Russell Eldridge returned to the club and a win on the final weekend of the season saw Common finish outside of the relegation zone.

The 2012/13 season saw the club finish 3rd but ground grading regulations prevented the club from being promoted. At the beginning of 2016 the club lost its founder and chairman, Ken Cherry, fifty years after forming the club.

The 2016/17 season saw Common finish runners-up to Saltdean United and their highest ever league placing, once again ground grading regulations prevented them from being promoted to the Premier Division and a ground share agreement was secured with Eastbourne United for the 2017/18 season.

The Commoners went on to claim the Division One League and Cup double in the 2017/18 season to seal a place in the Premier Division for first time in the club's history.

Despite a tough season the Commoners enjoyed a good end to the 2018/19 season to finish outside of the relegation places and secure another season in the premier division.

 Bromley Football Club  
 Hayes Lane  
 Bromley  
 BR2 9EF

Hayes Lane is situated between the A21 London to Hastings Road and the A232 Croydon to Orpington Road. You are advised to avoid heavy congestion in Bromley Town Centre. However, there is a 7ft width barrier from the A21 road in Hayes Lane so coaches should not approach from this direction.

#### **FOR VISITORS ARRIVING FROM THE CROYDON/SURREY AREAS**

From the A232, turn left into Baston Road (B265), following it for about two miles as it becomes Hayes Street and then Hayes Lane. Cray Wanderers FC is on the right hand side of the road, just after the mini roundabout.

#### **FOR VISITORS ARRIVING FROM NORTH AND EAST LONDON**

Head away from London using the A21 through Lewisham, Catford and Bromley. When you get to Bromley, head south past the town centre Kentish Way, then bare left at the traffic lights to join Masons Hill.

At the next Traffic Light junction, turn right on to Hayes Lane. Follow Hayes Lane, go through the width restriction barrier, then the entrance to the ground can be found on the left (second left, signposted for Bromley FC).

#### **FOR VISITORS ARRIVING BY TRAIN**

The nearest railway station to the ground is Bromley South, which is serviced by trains from London Victoria and the south-east coast. Trains run regularly up until about 23:30 midweek and usually later at weekends. There are also about two services an hour from London Blackfriars. If your train into London goes via East Croydon, it may be easier to get off there and catch the 119 bus to the ground (approximate journey time is around 40 minutes).

#### **FOR VISITORS ARRIVING ON FOOT (FROM BROMLEY SOUTH STATION)**

Turn left out of the station and then right shortly afterwards into Westmoreland Road, at the traffic lights by the T-junction near the Police Station and the Churchill building. Turn left after the church, into Hayes Road. Take care to follow the road when it bears round to the left rather than ending up in Cameron Road. At the end of Hayes Road turn right into Hayes Lane, having first crossed Hayes Lane using the traffic island near the mini roundabout. The entrance to the ground is about 200m on your left.

#### **FOR VISITORS ARRIVING BY BUS**

The 119 (Bromley to Croydon), 146 (Bromley to Downe) and the 314 (Eltham to New Addington) all go past the ground.

Fisher played hosts to AJs old side last night and to be fair despite going a goal down early there was only ever going to be one winner.

Hamlets had lost all three league games thus far and looked the polar opposite of a well organised Balham side that we played last Tuesday. Having now played both of the SCEFL's new teams it looks like it's going to be a long hard season for Tower Hamlets.

They have some talented individuals in the squad but no real pattern of play at this early stage of the season. The one player we had all heard about from Hamlets was Carvalho who has been on Arsenal & Huddersfield's books. You can see Carvalho is a real talent but De Mata kept his influence to a minimum on the night.

With the connections between the two sides close you thought that the game may have turned into a blood bath with both sides throwing themselves into tackles. But this was never the case as both sides opened quite cautiously in the opening ten minutes.

First real action came when a free kick was given out on the left hand side. Jacob Katonias ball was then dropped by Chebesi. A foul was given for a shove on Chebesi.

At this stage Fisher began probing and looking to make a breakthrough. A nice move by Thomas and Coker down the right hand side had Hamlets scampering back to the edge of their box.

Shortly after Sam Fitzgerald breaks up play and starts a fine move that ended up at the feet of Udo. Sadly his effort ended up going wide. A Rob Brown free kick and a corner cause more trouble. Off the back of that Hamlet find their way into the Fisher half and Fitzgerald makes a rash challenge just inside the box and the ref couldn't wait to point to the spot.

Could Carpanini pull off any more penalty heroics? On this occasion no as Adesanya fires to Carpos left to give Tower Hamlets the lead against the run of play. 0-1

Jamie Yila finds himself some space after switching wings with Coker. It was Coker who received a delicious 50 yard crossfield ball from Yila. Coker takes delivery in his stride and turns on the afterburners beating two men before bursting into the box and firing over.

Fisher win a free kick 30 yards from goal and Rob Brown hits the target and tests the keeper. The linesman's flag goes up!! Not sure what for, offside possibly?

With three minutes until the half time whistle Fisher equalised and it was no more than Fisher and the goalscorer Udo deserved. Udo managed to get away through the middle and he hit a venomous shot that found its way into the net at mid height. That goal would now make both managers half time team talks a bit different from what they were both expecting.

The second half was only three minutes old and Sam Fitzgerald made up for giving the penalty away by putting His side in front from a corner. He headed his effort down into the ground and the ball made its way into the net after bouncing over the stricken defenders and goalkeeper to see Fisher take the lead. 2-1

Coker began to have a good spell as he danced his way down the right hand touchline evading several challenges before picking out Christian Udo in the box. Instead of shooting Udo layed the ball off to Brown who was lurking outside the box. Brown hit his shot well enough but it took a deflection that went out for a corner. Brown took the corner but the keeper collected comfortably.

Christian Udo was having a fine game and once more he spread the ball wide to bring others into play. Yila gets fouled and Big Sam Fitz gets himself free at the far post. He side foot volleys his effort at goal but the keeper holds on to the ball.

Quick fire efforts from Katonia and Coker come to nothing as the game hits a dull spell. With silly free kicks and tiredness creeping into players games.

Udo at this point had run himself into the ground for his teammates and he was replaced by fit again Wale Odedoyin. He was immediately into the action taking the ball with his back to goal he turned and fired his shot over from about 20 yards. After cramping up Coker makes way for young Gibbons who also makes his mark on the game. As the ball got away from him he made sure he left

His mark on the player. Running right through him and earning himself a telling off from the ref.

Brown wins the ball in midfield and his little pass to Odedoyin was played out wide to Yila who glided past his marker and pulled the ball back for Gibbons. Gibbons shot is saved by the keeper.

Yila then went on a mazy run down the right that saw him sell more tricks than a ten dollar hooker as nobody could get near him. Rob Brown makes way for Sarpong after putting a shift in. Ojemen and Pauw both had fine games keeping Hamlets dangermen quiet.

With full time closing in Thomas had to be alert when he chased back and gave away a corner that Hamlet couldn't do anything with.

Fisher managed to get some gloss on the score line when a free kick from the right was pumped in and unluckily for the Hamlet centre half He sliced his clearance into the net. 3-1
