THANK YOU FOR YOUR CO-OPERATION, BY ORDER OF THE MANAGEMENT COMMITTEE

Good afternoon everyone and welcome to St Paul's Stadium for today's London Senior Cup Second Round tie between Fisher and Hanwell Town.

It feels like an eternity since we were last in for a game and it is a genuine pleasure to welcome you back to St Paul's for our first competitive game of 2021.

In case you missed the news on Social Media, Jamie Yila has been snapped up Cray Wanderers after a successful trial and will join them for next season. Another popular player leaving the club for a new challenge is Julio Da Mata who has decided to switch his focus to Boxing. We wish both all the very best for the future and thank them for all their hard work while they were with us.

During lockdown, we did enjoy a strong showing in the Virtual FA Cup, with Hanwell also doing well. It was something that brought the Non-League community together and proved to be surprisingly competitive. Thanks to all who voted and shared our virtual fixtures, and helping to get our exposure (and following) on the up.

Focusing now on today's opponents, Hanwell come here on the back of winning the Middlesex Senior Cup on Wednesday night, so will be in good form and high spirits. We are in for a tough test but one we have spent weeks preparing for, and have shown good form over our recent friendlies, so today's game should be an enjoyable one.

There's a quick turnaround in this year's competition, with the winners of this tie back in action on Tuesday against Haringey Borough, with the Semi-Final next Saturday (which would be a home game against Erith Town or Tooting & Mitcham who play each other today).

As I'm sure you'll have seen, the SCEFL Premier Division will look a little different when the new season gets underway. Corinthian have been moved up, while AFC Croydon Athletic, Balham and neighbours Beckenham Town have also been moved (this time sideways), joining the Combined Counties League. In their place we welcome Kennington, Holmesdale and Rusthall, after all three were granted promotion from Division 1.

Finally, please remember to keep Socially Distanced throughout the afternoon. I hope you enjoy the game and have a safe journey home this evening.

That's all from me, except of course from C'MON THE FISH

1984/5 Final

Good afternoon and wow can you believe it happy new year lol!

What a long time we had with no football or seeing you great fans of Fisher.

Without the game I have felt alone and the only thing that kept me going was the family and of course my squad.

Over the lockdown myself and my backroom staff were working very hard to keep the boys fit and ready for the return of football.

We been so lucky that the boys stayed together and pushed each other to stay fit.

We managed to keep all the boys focus and together. Along the way we lost the service of Julio Mata who took on boxing. Julio been unreal for the club since joining not only for the miles he covers but for the leadership he showed in the changing room. Our door will always be open for his return 1 day fingers crossed

Also Jamie Super Yila joined Cray Wanderers this week. A move we all know was going to happen but the question was when. Happy and gutted at the same time. We had to move quickly and bought back Trey Small. He's a player with so much to offer the game and I'm pleased he agreed to come back to us after a long break.

I'd like to introduce you to Lennart Hein and Jake Casey's. Both experience players who will add more value to our side

Really hope you enjoy your first day back and get behind the lads.

Ajay

"Giving Football in the South East The Wings to Fly"

Hanwell Town was founded in 1924 by a team of 'Geordies' working in the area and it is believed that this explains the black and white striped colours which are still used today.

The club were in the London League from 1924 to 1927 and it was in this period that they won their first major honour, sharing with Roxeth and Harrow Old Boys the Middlesex F.A Junior Charity Cup in 1926. Little else is known about the club before their disbandment at the outset of the second world war. The club reformed in 1947/1948 playing in the Dauntless League where they climbed up through the divisions earning promotion in four successive seasons. Whilst remaining in the Dauntless League with a third eleven, the club switched allegiance to the Harrow Wembley and District League where they remained until 1969/1970. During their period in the Harrow and Wembley League the club reached eight cup finals in various league and county competitions and each time finished on the losing side. In 1970/1971 the club gained promotion to the Middlesex County League and in their very first season the club won the League cup, the side being captained by the club's current chairman Bob Fisher. The club remained in the Middlesex County League throughout the 1970's playing at Ealing Central Sports Ground, their home for over twenty years but in June 1981 they achieved their ambition of obtaining a ground of their own when they moved to the then derelict Reynolds Field, their current home. Thanks to a small group of volunteers the ground was able to be used from the start of the 1981/1982 season and the club was granted Senior status for the commencement of the 1983-84 season. This enabled them to join The London Spartan League and they immediately won the Senior Division to gain promotion to the Premier Division where they remained until the amalgamation of the Spartan League with the South Midlands League in 1997/1998.

During this period the club enjoyed considerable cup success winning The London Senior Cup in 1991/1992 and 1992/1993 and being losing finalists in 1993/1994. They also reached the final of the Spartan League cup in 1993/1994 and after drawing with Willesden Hawkeye at The Valley, home of Charlton Athletic F.C, they were beaten in the replay at the start of the following season. In 1992/1993 they reached the final of the Middlesex Senior Charity Cup where they lost to Harrow Borough at Uxbridge F.C. after extra time. They reached the final of the same competition in 2000/2001 when they were again beaten, this time by Ashford Town (Middx).

In 1997/1998, their position of 12th in the League meant that in the first season of the Spartan South Midlands League in 1998/1999 that they would be required to play in the Senior Division. At the end of the 1997/1998 season Roy Nairn who had managed the side since the 1986/1987 season stood down to be replaced by former player Ray Duffy with Roy continuing his association with the club in a coaching capacity. The side immediately gained promotion to the Premier Division finishing in runners up spot to Holmer Green. Both clubs finishing with the same number of points but with Holmer Green boasting a much better goal difference.

Following this promotion the club maintained a top half position in the League table in each season except for one in the following seven seasons. In 2002/2003 the club won the Premier Division Cup when they beat Harefield United in the final, their first cup success in ten years.

In the same season to celebrate Roy Nairn's twenty years service to the club, Chelsea sent a side to meet the club at the start of the season. The Town ran out 5-3 winners with two of the goals being scored by Martin Rowlands of Brentford & QPR and Chris Boothe of Farnborough Town, both of whom having started their careers at the club during Roy's period of managership. The Rowlands's family have very strong links with the club with dad Arthur having played for the club in the 1982/1983 season and since then all five of his sons, Adam, Keith, Martin, Stephen and Anthony have worn the club's colours with Keith now the club's record goalscorer.

In 2004/2005, the club led The Premier Division for much of the season only to suffer a dramatic loss of form in the final weeks of the season which allowed Potters Bar Town to finish as comfortable League winners with the Town in second place. In season 2005-06 with promotion to level Four a key objective, the club managed to finish in third place just edging out Harefield United on goal difference. Two thirds of the way through that season Ray Duffy resigned and was replaced as joint managers by his former assistant Danny Vincent and former player Pat Gavin. Third place enabled Town to win promotion to The British Gas Business Southern League for the 2006/2007 season. However, Town's stay in the Southern League only lasted one season as they finished second from bottom and were relegated back to the Molten Spartan South Midlands League. During their stay in the Southern League, Town parted company with the management team of Vincent and Gavin with the reins being taken over by former player Chris Boothe, who himself resigned at the end of the 2007-08 season. The club finished in seventh place in the Premier Division of the Molten Spartan South Midlands League in the 2008-09 season and in 12th place in the 2009-10 season.

As ever, you can sponsor your favourite Fisher player and get your name in every match day programme this season. The price this season is £30, or two for £50. If you'd like to show your support, please see Ian Murphy during the game or email

There was a further change in the managerial team at the start of the 2010-11 season with Boysis Wise departing and Jason Tucker stepping into the role of assistant manager to the club's leading goal scorer Keith Rowlands. After a very promising start to the season, the side fell away drastically at the end of the season eventually finishing in fifteenth position, the lowest spot that they have occupied since gaining promotion to the division at the end of the 1998-99 season. The club continued to struggle in the 2011-2012 season and mid way through the season, the club reluctantly accepted the resignations of club stalwarts Rowlands and Tucker. They were replaced by a new managerial team of Tommy Williams and Luke Evans. Despite results improving, the club were unable to climb out of the relegation zone and faced relegation but the demise of clubs at level four, resulted in Town being reprieved from relegation. At the end of the season both Williams and Evans resigned their managerial roles and the club turned again to Ray Duffy to hold the managerial reins for the 2012-13 season. He was aided by Mark Adams and Vince Perdue. The club enjoyed a successful season finishing in 6th position and looked forward to the challenge that a new season would bring. Season 2013-2014 turned out to be the most successful in the club's history as they won The Spartan South Midlands League by a margin of fourteen points over Ampthill Town. They were beaten just once in their forty two games, drawing six and winning the other thirty five with a goal difference of ninety one, having found the net one hundred and twenty seven times and conceding just thirty six. They also reached the fifth round of the FA Vase for the first time in their history, losing 3-1 to league rivals Ampthill Town after extra time having had to play their fourth round tie against Ashford Town just thirty six hours previously on the Thursday evening. Promoted back to the Southern League Central Division, the 2014-15 season proved to be another very successful season for the club as playing at their highest ever level and aware that there only previous season as a level Four club had resulted in immediate relegation, they not only held their own but finished in seventh place, just outside of the play offs. They also reached the final of The Middlesex Senior Cup for the first time in their history, a penalty in the final minutes proving to be a 1-0 defeat to Harrow Borough. Unfortunately, club manager Ray Duffy tendered his resignation at the end of the season so the club started afresh in Season 2015-2016 under the managerial reins of Phil Granville, a former player and manager of Uxbridge FC and more recently manager at Harefield United. However, things did not work out as expected and Granville was relieved of his duties at around Christmas and Duffy, fresh from his break, returned to take up the reins. It proved to be a stressful run in to the end of the season and only two 1-0 wins in the space of forty eight hours against Uxbridge and Ware respectively prevented the club from being relegated. With the management team having had the time to rebuild the squad over the close season, the 2016/17 season proved to be one in which the club held a relatively comfortable mid table position throughout and hopes are high that the 2017/18 would see the club finish higher up the table. However it was not to be with the club finishing too close to the bottom of the table for comfort. At the end of the season, manager Ray Duffy who had been involved in 997 games for the club as either a player or a manager tendered his resignation and the club commence the 2019/20 season with joint managers in Chris Moore and Wayne Carter.

Since arriving at Reynolds Field, the club have steadily improved the facilities with the installation of floodlights in 1989, the erection of a small stand and more recently, thanks to a grant from The Football Foundation, the erection of a stand and toilets for disabled persons. During 2005-2006 to ensure that the club met The Football Association's ground grading requirements, the seating capacity of the stand was extended to 180 seats and covered terracing was erected behind one of the goals. That this work was possible was entirely due to the generosity of the club's president Dave Iddiols and the club's then sponsor Gowing & Pursey Ltd. Tottenham Hotspur led by Republic of Ireland international and current Brighton and Hove Manager Chris Hughton and managed by former England goalkeeper Ray Clemence were Town's first opponents under lights and since then Spurs again, Chelsea, Brentford and QPR have all played games on the ground. At the end of the 2004/2005 season club chairman Bob Fisher was awarded a medallion by The Football Association in recognition of his fifty years service to the club and very recently, Bob, completed sixty years service at the club, a remarkable achievement, which was recognised by the club in naming the stand after him. The club have a thriving Youth Section and this season will be fielding over 20 Youth sides, Both the Senior Club and Youth section has achieved charter standard and are highly regarded in the county and the local community. The club have been enormously fortunate over the years to have benefited by the commitment and effort of so many to ensure that the club survived and prospered. There are too many to name them all but special mention should be made of the Conn family, Jim, Mike and Jack, the Haynes family, Les, Stan and Reg, the Rowlands family, the Swift family, Bob, Stuart and Kenny, Sam Kelso, Phil Player, John Wake, Phil Scott, Roy Nairn, Ray Duffy and of course Dave Iddiols but no history of Hanwell Town would be complete without a mention of the club's secretary from its reformation in the 1940's to 1988, Ron Walker. Without a home ground of their own for the majority of this period, Ron's total dedication and commitment meant that the club were able to keep going whilst many around them folded. Until he passed away at the age of 90 in November 2011, Ron continued in his

CHRIS MOORE- Joint Manager Started the 2017/18 season as the Egham Town manager with Wayne Carter as his assistant. This role ended in January 2018 and he decided to restart his playing career at Hanwell. He made 16 appearances for Brentford as a full time professional and also played for Dagenham & Redbridge, Northwood and Uxbridge for whom in three different spells he made over 200 appearances. At the end of the 2018-19 season together with his colleague Wayne Carter took over the managerial role from his predecessor Ray Duffy who had clocked up over 950 games in charge. Since taking over the managerial reins with Wayne has impressed everybody with his enthusiasm and professionalism.

WAYNE CARTER -Joint Manager- Joined the club in February 2018 following his departure from Egham Town where he was working alongside Chris Moore in a coaching role whilst continuing his playing career. He then appeared in every game until the end of that season. He made limited appearances last season and is not likely to feature too often in this season's line up. A vastly experienced player with enormous ability on the ball. he has played for a number of clubs in his career including Wealdstone, Northwood, Hendon and Uxbridge.

Since his arrival, he has impressed everybody with his passion and dedication to the club.

STUART EVERLEY- Physio Stuart was coaxed out of retirement by the managerial team having spent almost his entire career with Uxbridge. Having thoroughly enjoyed his first season with the club, he is not quite ready to retire (again) just yet.

DEAN SMITH -Coach. Dean works for The Premier League and is a fully qualified coach with a very large amount of experience. His role elsewhere limits his time with the club but he has been a huge help to the management team during pre-season.

PAUL RIORDAN-Goalkeeping Coach A former goalkeeper for the Town and then for Northwood FC. Has just joined the management team.

GARETH CHENDLIK -Forward. Gareth joined us at the start of last season from Dorking Wanderers having previously played for Hemel Hempstead Town, Harrow Borough and Leighton Town. He became a firm favourite of the club's fans with his committed play and finished the season as the club's leading goal scorer.

GIANNI CRICHLLOW-Forward. Gianni came to our attention with his skill and pace when playing for Hendon under 23's against the club last season. He spent eight years in the academy at QPR and he is sure to be a fan's favourite with his direct style of play.

DWAYNE DUNCAN -Central Defender. Dwayne joined the club midway through last season and immediately became a regular first team selection with his command of the back four. He had previously played for Chesham United, Potters Bar Town and Harpenden Town. Remarkably as a central defender he scored 15 goals for Harpenden in the 2017-18 season.

JOEL JACOBS- Full back. Joel was a regular member of the Bracknell Town side that just missed out on promotion last season. He brings a wealth of experience to the side having previously played, other than for Bracknell Town, for Egham Town, Ashford Town (Middx), Chalfont St Peter and North Greenford United. A dead ball specialist with his sweet left foot !!

HARVEY KILLEEN-Forward. Harvey is a product of our Youth system having joined the club at 14 and at the age of 16 was a regular in our Under 18 squad and then moved up into the First team squad. He was a member of the Brentford Academy before it closed down. A very clever player who is a lot stronger than his slender frame suggests. He has trialed at QPR but injury halted his progress and trialed again this season before returning to complete pre-season with the club. We all hope that he enjoys an injury free season

ROB LANEY-Forward. Another former Hanwell Town player who has returned to the club after a long spell at Wingate & Finchley, A very industrious player and a proven goal scorer.

ANDREW O'BRIEN Defender- A tall and strong resolute defender who joined from Greystones United FC in Ireland last season having moved over to take a job with The Football Association. His claim to fame is that he appeared on Liverpool FC TV when he was gifted a pair of size 11 boots by Virgil Van Dijk !!

TERLOCHLAN SINGH. A very experienced and capable midfield player who has joined the club this season.

HUGO SOPTE-Goalkeeper. A new signing after four seasons with Windsor whom he captained and for whom he made over 175 appearances. Previous to that he was with Hayes & Yeading and was part of their match day squad when they were in Conference South.

CALLUM WOODCOCK- Forward. A new signing from Chalfont St Peter having previously played for Chesham United for whom he played twenty first team games having progressed through the Under 18 set up. He has excelled in pre-season and we are anxious to see what he brings to the side.

JACK WALDREN- Full Back. Joined at the start of the 2018-19 season having previously played for Hemel Hempstead, Harrow Borough and Kings Langley. Has impressed everybody with his speed down the left flank and his dead ball expertise with his trusted left foot. Unfortunately, he suffered a severe leg injury last season which meant that he missed most of the latter part of the season. Now back to full strength he will make a significant contribution to the team.

OGUCHUKWU OBI -forward. The latest signing as he has recently joined from Hayes & Yeading. Has made an immediate impression with a hat trick against Waltham Abbey.

* after extra time

Fisher bowed out of the FA Vase with defeat away at SCEFL 1 leaders Kennington. The hosts were ahead inside the opening 5 minutes after Calvin Sedenu recycled the ball at a set piece situation and found Gary Lockyer. He nodded down for Callum Peck to lash home from the edge of the area. Fisher could have been level quickly, Jamie Yilla won a corner on the left hand side with some tricky footwork & his ball was knocked down to Christian Udo - whose goalbound effort was blocked by Luke Hughes on the line. Udo went close again soon after when Thomas centre found Yilla who headed to Udo, he swivelled and a deflection took the ball away for a corner which didn't come to anything. The visitors in truth were the better side for long periods in the first half and Owen, Philpott & Sedenu all had chances to extend the lead but a combination of good defending, good goalkeeping & the crossbar kept them at bay and the score at 1-0.

HT 1-0

Kennington again began strongly with Ryan Philpott's volley needing Sam Fitzgerald's intervention to prevent a goal in the early stages of the half. Fisher won a penalty on 54 minutes, Roddy Lemba's knockdown finding Jamie Yilla who knocked the ball past Joe Mant in goal, he bought him down and referee Dan Blades (In a rare show of correct decision making) pointed to the spot. Rob Brown stepped up and placed a poor penalty to Mant's right hand side. An easy save for the keeper as it was at a good height for him. Gary Lockyer again went close for the hosts but was denied by a smart goal line clearance. As the game entered the last 20 minutes you sensed it might need something special to beat Mant & level the tie. Fisher found that via substitute Avelin Cedric (Nganga?) with 72 minutes played. His curling effort from the edge of the area finding the bottom right hand corner of the Ton net. Game on could either side find a winner? The goal seemed to reverse the flow of the game and Fisher now had a spring in their step with Jack Gibbons pace being a great outlet on the right hand side. He had the best opportunity of the last few minutes and fired well over when he time and space to play with after a superb cross field ball from Roddy Lemba. He did go close again when Yilla's cross found him at the back post but his header found the side netting. For all the effort The Fish just couldn't find the winner and it was penalties as the game finished 1-1.

Fisher & Deal Town played out a decent game of football to a 0-0 draw, in front of record crowd at St Paul's on Saturday.

The visitors had the first real opportunity with the game 6 minutes old, a ball from Troy Howard was only half flicked away by Sam Fitzgerald into the path of Jack Paxman. He took a touch and looked to have found the bottom corner but Fitzgerald atoned excellently and made a wonderful goal-line clearance to keep the scores level.

Deal were the better side in the opening period & Howard should have opened the scoring when he was left unmarked at the far post but could only head wide.

Tarik Ibrahim had the first chance for The Fish soon after. Receiving the ball and turning his man before firing inches wide of the left hand upright.

The game went a bit flat with both sides cancelling each other out. Rob Brown had a great chance after a slick passing move started by Ibrahim nutmegging his man. Luke Thomas had made a surging overlapping run and he found Udo, who laid the ball off to Brown on the edge of the area but he fired straight at the keeper when well placed.

There was one more chance in the half, as a long ball found Paxman who evaded Luke Thomas and fired wide at the near post leaving Charlie Payne untroubled.

HT 0-0

Fisher came out of the traps in the second half as Yila & Katonia combined well early on before the latter fired into the keepers arms.

Charlie Payne was called into action when Alfie Foster found himself free at the back post at a corner, he made a good reflex save before Christian Udo cleared.

Fisher had a lot of possession in the half but couldn't find the final ball too often. Josh Biddlecombe had a great chance to break the deadlock on the counter after receiving the ball in the left hand channel. James Tonkin in goal did well to be fair & narrowed the angle, producing a good save with his legs.

Jamie Yilla was probably the most creative outlet for the home side and he had a go with an ambitious chip from a short corner routine which forced a punch from Tonkin in goal.

There was one last chance right at the death, Kevin Songolo introduced from the bench as a forward wriggled past a couple of Deal defenders in the area - but blasted well wide when well placed.
